

## Let Nicholas Sparks inspire you and your students this school year

### NCTE Presents Nicholas Sparks

NCTE has announced that Nicholas Sparks, best-selling author of *The Notebook*, will join a panel of experts at this year's conference to discuss new and creative ways to inspire a love of reading and writing in students. NCTE Session K.01, "A Love of Reading," November 21, 2009 in Philadelphia.

### Nicholas Sparks Teacher's Guides Are Here

Nicholas Sparks Teacher's Guides are now available for the classroom. For time-starved teachers seeking excellence, these powerful teaching tools are designed to make your job easier and more effective.

- **Compelling & Relevant:** Guides are seamlessly integrated with two modern day classics by Nicholas Sparks, *The Notebook* and *A Walk to Remember*.
- **Easy-to-Use:** Each Guide includes test questions and answers, notes, and pre-packaged lesson plans.
- **Time Saving Extras:** In-depth coverage of plot points, main characters, themes, and symbolism.

# NICHOLAS SPARKS

## Nicholas Sparks Teacher's Guides help you do your job with ease and excellence.

Used in conjunction with *The Notebook* and *A Walk to Remember*, Nicholas Sparks Teacher's Guides include everything you need to implement motivating and effective lessons for your high school English students.

### Novels

Nicholas Sparks novels are sure to intrigue your students with their modern day relevance and compelling themes:

- *The Notebook*: A modern classic novel about the beauty of enduring love. Best for 11th and 12th graders.
- *A Walk to Remember*: A coming of age novel about first love and the power of redemption. Best for 10th graders.

### Teacher's Guides

You'll save hours of prep work and lesson planning with our easy-to-use Teacher's Guides. These all-inclusive teaching tools include test questions & answers; pre-packaged lesson plans; and in-depth coverage of plot points, main characters, themes, and symbolism.

### DVD Interview

A peek behind the scenes with Nicholas Sparks as he talks about his books and his inspiration for becoming a writer. Watch and discuss with your students for a supplementary teaching tool.
